Cancellations

Cancellations must be received in writing before or on **18th March 2011** and will be subject to an administration charge of £50.00. It is regretted that cancellations received after **18th March 2011** cannot be accepted and the attendee will be liable for the full course fee. Substitutions may be made at any time, whilst a valid place is held. The organiser cannot accept liability for cost incurred in the event of a course having to be cancelled as a result of circumstances beyond its reasonable control.
